

Borrego Springs Art Guild  
Meeting Minutes  
January 10, 2013

The luncheon started with the power going out. Beth Hart, President, asked everyone to take their seats so lunch could be served while it was still hot. Vice President Kathy Johnston welcomed members; guests were introduced; and announcements from other art events around town were made from other organizations.

Since the microphone didn't work the committee reports were either suspended or abbreviated. Beth announced the slate of officers to be voted on by the membership in February as: President—Kathy Johnston; Vice President—Cathy Westover; Secretary—Camille Rothenburg; and Treasurer—Anne Wermers. She also announced that we were able to send \$150 each to the elementary school, high school and BAI children's art program because of the members' generous support of the raffle and willingness to buy gifts from the Guild for the gift exchange.

Sandy Talbert, Membership Chair, announced the roster will be published at the end of February so dues need to be paid and contact information updated before then.

Stuart Resor, Art in the Library Scheduler, announced Brita and Barbara Matson's art is on display now and Bob Johnson is set for February.

Beth again asked for a volunteer to lead our annual March Art Festival. She also reminded artists that pictures of their work need to be submitted to her so they can go to the jury committee of the Circle of Art for consideration for that show. She mentioned the sign-up sheet for docents for the upcoming Home Tour. She stated that the color wheel presented by Carol Lindemulder was for sale for a \$1. Carol said all proceeds will be donated to the Guild. Lastly, Beth thanked Terri Zumstein for her help in printing our roster and also the children's calendar that is for sale at today's meeting. Terri will be our presenter in February.

Kathy Johnston introduced Dr. Saul Miller, cartoonist, after a backup generator was hooked up so he could make his presentation. He led the attendees in coming up with the Borrego Sun's cartoon for the next issue.

Then we had the raffle. The next meeting is February 14, 2013.

The meeting adjourned 1:45 p.m.

Respectfully submitted,  
Pam Rhodes, Secretary
