Bylaws of the Borrego Springs Art Guild

Article II – Objective

“The object shall be to provide for the education in and advancement of fine arts and crafts in the community of Borrego Springs, CA as a non-profit corporation.”

The Art Guild Board of Directors wants to include you in the feeling of satisfaction experienced when we fulfill the objective stated above in our Bylaws. A \$2,500 scholarship was presented to Felix Jordan Meza who has applied for the graphic design program at Platt College in Riverside.

Congratulations to Jordan!

We have such fun at our meetings it's easy to forget the real reason for our existence - to provide for the advancement of arts and crafts in our community. It is through your membership and your generous donations that we are able to not only provide scholarships to graduating students, but also to help support art programs in Borrego Springs. This season we contributed a total of \$4,470 in addition to the scholarship of \$2,500. Below is the distribution:

\$900 - High School and Middle School
\$900 - Elementary School
\$1150 - Borrego Art Institute
\$770 - Space rent for Carol Ravy's art classes
\$450 - Outside the Box, Middle School Art & Science Programs
\$300 - Sue Johnson's children's art class
\$2500 - Scholarships

Thank you to all our wonderful members! Please give yourselves a pat on the back for the part you are playing in our community. You do make a difference!
