Desert Garden Tour

Sunday, March 27 - 9:30 a.m to 4 p.m.

Tour at your own pace five private gardens in Borrego Springs

- ❖ **DESERT DREAM:** With views to Font's Point and graced with Artist John Richen gates and sculptures, this garden is desert, but also lush with roses, bougainvillea, rosemary and olive. Many courtyards to explore, rich with pools, privacy, and plants.
- ❖ **NATIVE AND WILD:** This large property is covered in native plants with a true Southwest feeling home and courtyard. No fences, just wide open spaces for wildlife and desert viewing. Come see what this homeowner has done to enhance the native landscape.
- ❖ **GATED SANCTUARY:** Enter into another time reminiscent of old Mexico. Complete with the sound of water in the fountain, interesting plants, pool courtyard, and a medicine wheel that connects to views of Indian Head Mountain.
- ❖ **OUTDOOR LIVING:** Mature tree aloes surrounded by desert landscaping will invite you to enter this owner-designed modern home and garden. Don't miss the private outdoor dining area, the pool, and the broad expanse of open desert.
- ❖ **CASTLE GARDEN:** Walk the native tree-lined driveway and then hike the hill to be rewarded with one of the most amazing garden/home sites in Borrego Springs, with 360-degree views and an oasis for wildlife viewing.

Come prepared to be delighted and amazed!
