

MEETING SUMMARY FOR THE BORREGO WATER COALITION Thursday, March 3rd, 2016

Those present discussed the following updates and issues:

1. Discussion of the State's Emergency Regulations for the Sustainable Groundwater Management Act (SGMA).
2. Discussion of potential changes in the Borrego Water District's current water credit policies as it relates to the future use of water under the SGMA.
3. Discussion of potential future water quality issues as related to the SGMA.
4. Discussed and approved sending a letter of support to the Dept. of Water Resources supporting the proposed boundary adjustment for the Borrego Basin.
