Chamber Lobby

Chamber Board Room

Welcome Center. A gift from Dr. Russell Shelden and Mrs. Mary Shelden, our building is a **Welcome Center** for tourists, businesses and residents. The lobby is comfortably appointed with plenty of room for displaying business members' literature. Our conference room is available for business members to reserve at no charge. The Welcome Center greeters are committed, friendly and, informed **Volunteer Ambassadors** who represent our town and member businesses by skillfully fielding questions and directing tourists to member businesses and around the area.

Dedicated team. The **Chamber & Visitors' Bureau (Chamber/CVB)** is guided by a dedicated and representative group of community leaders that sit on the all-volunteer board of directors. Our executive director is an accomplished professional who runs the day to day operations of the CVB with the help of highly competent staff and volunteers. The executive director is the key representative and advocate for business owners and employers doing business in Borrego Springs. Your Chamber leadership works tirelessly to promote and strengthen the community by building prosperity through a healthy economy and a strong business sector.

Community leadership. Chamber representatives get involved and are active participants in the areas of community planning, public works, water policy and land use. In our leadership role we have been instrumental in getting efforts up and running, including the **Borrego Valley Geotourism Stewardship Council**, **Borrego Village Association**, **Borrego Water Coalition** and in 2012 we founded the **Borrego Festivals Foundation**, our 501c3 fiscal partner, to enable an even more active role in good works programs!
